

REQUEST FOR PROPOSAL (RFP)

For River Training Works of Super Chepe Hydropower Project-9.05MW

River Training Works

Super Chepe Hydropower Project (9.05 MW)

Ajirkot Rural Municipality–2, Olang, Gorkha, Nepal

1. Introduction

Ridge Line Energy Limited (RLE), the developer of the **Super Chepe Hydropower Project (9.05 MW)** located at Ajirkot Rural Municipality–2, Olang, Gorkha District, Nepal, invites **sealed technical and financial proposals** from eligible, experienced, and registered contractors for the execution of **River Training Works** at the project site.

The objective of this RFP is to select a competent contractor capable of executing the river training works in accordance with approved designs, specifications, quality standards, environmental safeguards, and within the stipulated time frame.

2. Project Overview

- **Project Name:** Super Chepe Hydropower Project
- **Installed Capacity:** 9.05 MW
- **Developer:** Ridge Line Energy Limited
- **Project Location:** Ajirkot Rural Municipality–2, Olang, Gorkha
- **Scope Category:** River Training Works (Powerhouse Site and Headworks Site)

3. Scope of Works

The scope of work under this RFP includes, but is not limited to, the following activities:

A. River Training Works – Powerhouse Site

1. Waterway / River Way Clearing
2. Boulder Rip-rap Works including collection, placement, dressing, and protection works

B. River Training Works – Headworks Site

1. Waterway / River Way Clearing
2. Boulder Rip-rap Works including slope protection and river bank stabilization

The contractor shall provide all labor, materials, tools, equipment, supervision, temporary works, and incidentals required for the completion of the works as per approved drawings and specifications.

4. Bill of Quantities (Indicative)

S.N.	Description of Items	Unit	Quantity	Remarks
A	River Training Works – Powerhouse Site			
1	Water Way Clearing	m ²	2,065	As per site condition
2	Boulder Rip-rap Work	m ³	575	Including placement
B	River Training Works – Headworks Site			
1	Water Way Clearing	m ²	3,200	As per site condition
2	Boulder Rip-rap Work	m ³	1,289.47	Including placement

Note: Quantities are indicative and may vary during execution. Payment shall be based on actual measured quantities.

5. Eligibility Criteria

Interested bidders must meet the following minimum eligibility requirements:

- Registered construction company/firm in Nepal
- Valid PAN/VAT registration and tax clearance certificate
- Proven experience in civil works
- Financial capability to execute the works

6. Proposal Submission Requirements

Bidders shall submit **Technical and Financial Proposals** in sealed envelopes.

6.1 Technical Proposal

The Technical Proposal shall include:

1. Company profile and legal documents
2. Relevant experience and past project details if any
3. List of equipment and resources

6.2 Financial Proposal

The Financial Proposal shall include:

1. Duly filled and signed Bill of Quantities (BOQ)
2. Unit rates and total cost in Nepalese Rupees (NRs)
3. Applicable taxes (VAT) clearly indicated
4. Cover Letter with Validity of the financial offer (minimum 90 days)

7. Construction Period

The expected construction period for the river training works is **as specified by the bidder**, subject to approval by Ridge Line Energy Limited, and shall be clearly mentioned in the proposal.

8. Evaluation Criteria

Proposals will be evaluated based on the following criteria:

- Technical compliance
- Relevant experience and past performance
- Availability of resources
- Financial competitiveness

Ridge Line Energy Limited reserves the right to accept or reject any or all proposals without assigning any reason.

9. Payment Terms

- Payment shall be made based on measured work quantities and certified interim payment certificates (IPCs)
- Applicable VAT shall be paid as per prevailing government rules
- Retention money, if any, shall be as per contract conditions

10. Site Visit

Bidders are encouraged to visit the project site and familiarize themselves with local conditions, access, river morphology, and construction constraints prior to submission of the proposal.

11. Proposal Submission

- **Submission Deadline:** 4TH MANGSIR 2082 (20TH NOVEMBER 2025)
- **Submission Address:** Ridge Line Energy Limited, Kathmandu, Nepal
- **Mode of Submission:** Sealed hard copy (and/or soft copy as instructed)

Late submissions shall not be considered.

12. Confidentiality

All information provided in this RFP shall be treated as confidential and shall not be disclosed without prior written consent of Ridge Line Energy Limited.
